

Decoding Diversity

Benefit from a Workplace that Embraces Uniqueness

PROGRAM BENEFITS

- Infuse your workplace with positive thinking and move away from negative generalities
- Understand actions that are fostering failure and embrace those that support success
- Experience this topic in a fun-filled, yet thought provoking way

DAVE HILL

Dave uses his life experience, his sense of humor and his stories to provide a very unique perspective. He has travelled to 75 countries, from the shores of Ethiopia, to the Pacific Islands, to the Highlands of Papua New Guinea. He even spent a year on a square rig sailing ship travelling around the world with a multi-national crew. He met his Canadian wife in Australia and lives in Texas USA. His immediate family includes Irish, English, Canadian, Hungarian, American, and Chinese.

OVERVIEW

Explore aspects of diversity that increase team spirit, trust, participation, helpfulness and enthusiasm. Discover fascinating cultural and individual idiosyncrasies. With the right perspective, we can all look around us and see individuals taking on the role of “ambassador”. The diverse empowered workplace is within everyone’s reach.

AVAILABLE FORMAT:

- Keynote
