

Energize Workplaces

Capitalize on low cost initiatives to bring your workplace to increased profitability

OVERVIEW

Envision your workplace being so energized and integrated that it turns an economic downturn into a competitive advantage. A respectful, trusting workplace exudes energy and balanced fun. It unleashes unmined potential for increased profitability. “If you take care of the employees the employees will take care of the profits” is not just a saying, it is a reality born from a proactive vision. It grows into a formidable culture.

PROGRAM BENEFITS

- Recruit talent and retain valued employees
- Elevate performance and morale
- Enhance teamwork, motivation, and recognition
- Understand actions that are fostering failure and embrace those that support success
- Evoke a mindset of individual action

DAVE HILL

Dave has worked in many different roles - from the corporate office, to risk insurance companies, to worldwide cargo ships, a scientific ship, and even a square rig sailing ship. He has an in-depth understanding of the characteristics that can lead a workplace to sustained excellence.
